(1765-1837) William IV

King of England (1830-1837). Third son of George III and uncle of Queen Victoria who succeeded him. The great event of his reign was the passage of the Reform Bill, which was passed by the House of Lords unwillingly by reason of the King's threat to create a sufficient number of new lords to secure its passage.

1837-1901

Victoria, Queen of England  
ruled 64 years

1837

Detroit was Capital of Michigan

May 1837

---

The Capital of Texas was moved from Columbia to Houston, a town laid off at the head of Buffalo Bayou by A.C. and J.K. Allen.

Texas planned on another Capital on the old San Antonio Road between the Trinity & Guadalupe R.  
Houston's first Administration must

went as a superintendent of steamship.  
He established a currency; reduced the  
Debt; collected customs; and provided for  
a small but healthy foreign trade.

Spring 1837

General Huston left his command for a few days. Pres. Houston furloughed the Army to the U.S. or wherever they wanted. When General Huston came back they were gone, so Huston also left for the U.S.

1837

Felix HUSTON had command of the Texas Standing Army. they took cows etc. Pres. Houston sent General Albert Sidney Johnston to relieve General HUSTON.

Johnston & HUSTON quarrelled and fought a duel, in which Johnston was wounded
